Hello We Print,

I have uploaded three 11x17 posters designed for that custom size per my boss's requirements. It mustn't have an additional border that exceeds that size but must be cut to that size.

Is this something you can do?

I'd like to avoid delivery and pick it up at your store.

10 of each design attached. Quote?

Thanks!

Also do you provide a discount for artists who are performers at the upcoming June Atlanta Fringe because we have more than one type of print product needed in the future.

Best regards, Renee Marchol
