I was hoping to get a quote for a few custom prints for an upcoming event. I would like to do in-store pickup no later than Friday, October 17th! Below is the description of the prints, please let me know if you'd be able to assist!

1) File titled "MBA-Drinks" - I would like 4 copies of each of the (2) drinks on 8.5 x 11 cardstock. I'll be putting these in a clear display on the bar of the restaurant so guests know the signature cocktails for the evening

2) File titled "MBA-TableTents" - I would like 10 copies of these. They are table tents we can put in meeting rooms to encourage attendance at the happy hour. We'll need them to fold so they stand on their own like a tent

3) Files (PDF & ai) titled "QRCode-Insert" - these are 5x3.5" inserts and we are looking to print 3 to a letter sized page, front and back. The front of the card should read Survive Vegas... and the back has the QR code. I would like these printed on cardstock

4) I will have one file that isn't ready yet, but I would be a full color, front and back one-ager on 60lb paper semi-gloss, and we'll need about 100 copies. If you're able to assist, I'll send the one-pager file over as soon as it's ready!
