I'm estimating 70 foam core boards, most of them 36x48, but maybe a dozen 48"x96" which will show schedules(we would prefer if you could do 24x63 but I do not see it on the website). Most of the rest will have either just arrows for wayfinding or a few lines or less of text to label rooms and show small announcements.

Then I'm estimating about 5 step and repeat backdrops.

We may also want 300-500 color 1 sided brochures.

Colors will be white, blue, green, and black, mostly text and simple symbols for wayfinding. The schedules may feature a small simply mascot drawing.

These would all need to be delivered to the Georgia World Congress Center Authority October 11th.
