Hi! I'm looking for a quote for 210 wedding menus. The size is 4.5inx8in and I was looking to have them printed on cardstock. Each individual menu has a guests name at the top so there are 210 individual TIFF files. I currently have them saved on a Dropbox. I've reached out to other printing companies but they required them to be downloaded as PDF files. Once they are downloaded as PDFs their sizing becomes 19.5inx8.25in so I think they'll need to be printed as TIFF files.
